EXHIBITION "AGRO-SPHERE" - INNOVATION IN ACTION!

In Odessa, the fourth specialized exhibition "Agro-SPHERE / Grain-SPHERE" took place on November 22-24, 2017.

The traditional annual event was held with the support of the Ministry of Agrarian Policy and Food of Ukraine. The founders and partners of the exhibition - Odessa Regional State Administration, Agrarian Union of Ukraine, Association of Farmers and Private Landowners of Ukraine, All-Ukrainian Association of Bakers, Odessa National Academy of Food Technologies, Odessa State Academy of Construction and Architecture, Seed Association of Ukraine took an active part in the Event preparation.

Dedicated to the Agricultural Workers' Day, the exhibition gathered the foremost of the agro-industrial complex of the region. The best specialists of the industry were awarded by the Association of Farmers and Private Landowners of Ukraine for their personal contribution to the development of the agro-industrial complex and high professional skills with honorary awards and diplomas.

It was noted in the welcoming speech by the head of the Odessa Regional State Administration (OGA) M. V. Stepanov: "The Odessa region is one of the most powerful regions of Ukraine. The agro-industrial complex of the region plays a decisive role in ensuring economic and social stability, both in the region and in the country as a whole".

Ivan Petriv, Head of the Agrarian Policy Department of the Odessa Regional State Administration, in his speech at the opening ceremony, noted that the Odessa region for the second year produces a record harvest: more than 4 million tons, and occupies the second place in Ukraine in gross grain and beans harvest. The support of the exhibition by the Ministry of Agrarian Policy and Food of Ukraine, the regional state administration, public associations testifies that Agro-SPHERE is a platform

on which directions of further development of the agricultural sector of Ukraine's economy are formed and are being formed successfully. "

The following well known in the agrarian industry persons also took part in the opening ceremony: V.Varbanets, chairman of the Association of Farmers and Private Landowners of Ukraine in the Odessa region,; GV Novikov, Chairman of the Agrarian Union of Ukraine; V. V. Dobrovolsky, All-Ukrainian Bakers' Association, "Odessa Karavay"; S. V. Grigorenko, Executive Director of the Seed Association of Ukraine; L. G. Klebanova, chairman of the Union of Women-farmers of Ukraine.
