# INTER-TRANSPORT

In the framework of the International Week on Trade and Transport Ukrainian Ports Forum 2019, which was organized by the Ukrainian Sea Port on May 30th-31st gathered the most influential representatives of the authorities, the Ukrainian and international business community on the international platform to discuss ways and prospects for implementing joint infrastructure projects in the ports of Ukraine and adjacent regions.

The Transport Week was opened by the International Seminar on Trade and Transport Facilitation, organized by the United Nations Economic Commission for Europe (UNECE) and the International Port Community System Association (IPCSEA) in cooperation with the Government of Ukraine with support from the Ukrainian National Committee of the International Chamber of Commerce (ICC Ukraine), the Interagency Working Group on Trade Facilitation and Logistics in Ukraine, PLASKE JSC, and the Port Community Service Association «PPL 33-35».

International Week on Trade and Transport is traditionally coincided with the International Freight Forwarder Day - annual forum of professionals in the field of transport, forwarding and logistics, where the key market players define the trends, share their experiences to achieve new goals.

Business Information Support Centre under Odessa Regional Chamber of Commerce and Industry (ORCCI) under the auspices of the European Bank for Reconstruction and Development (EBRD) within the framework of the European Union EU4Business held the Conference "New Challenges of Modern Transport Logistics in Ukraine. International freight Forwarder's Day".

This year Conference was devoted to: E-business as a component of the digital economy, improvement of the legal framework, practical application of international recommendations and standards, priorities of the adopted National Transport Strategy of Ukraine until 2030.

# INTER-TRANSPORT

The most active participation in the preparation and work and development of the Exhibition and Conference was from the side of the information partners.

The transport intellectuals traditionally gathered in Odessa within the framework of the International Transport Week. The motto of the Forum "Inter-TRANSPORT" is "Dialogue. Trust. Action".

**At the beginning of summer in Odessa  
there was a successful DIALOGUE.**

**We hope that on the basis of such DIALOGUE the TRUST  
has been strengthened.**

**We invite you to discuss future ACTIONS in a year -  
at the XVIIIth International Week on Trade and Transport,  
Exhibition "Inter-TRANSPORT" (May 27th-29th , 2020).**

**See you soon!  
Organizing Committee  
"Exhibitions Technologies Centre"**
